

SAULEDA

NAUTIC

An aerial photograph of a small white motorboat on the left and a person swimming on their back in the center of a vast, turquoise sea. The water's surface is covered in intricate, shimmering patterns of light and shadow.

CRISTAL ACHILLES

A series of overlapping, semi-transparent rectangles in various shades of teal and blue, creating a complex, layered geometric pattern that fills the bottom half of the image.

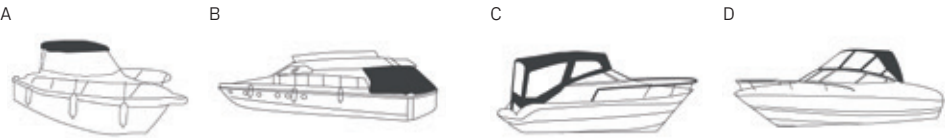

Sauleda

CRISTAL ACHILLES

Sauleda's Cristal is the best protection with maximum visibility in adverse weather conditions for journeys in any season of the year. This high-end translucent laminate also offers an anti-shrink treatment and great dimensional stability. Cristal de Sauleda es la mejor protección con la máxima visibilidad en condiciones climáticas adversas para travesías en cualquier estación del año. Esta lámina translúcida de alta gama aporta, además, un tratamiento antiencogimiento y una gran estabilidad dimensional.
