

Sauleda

IN PURSUIT OF EXCELLENCE

QUALITY POLICY

OUR PREMISE

At Sauleda we have one premise: the constant search for excellence in all organisational areas of the company.

That is why we have defined and implemented a series of commitments both with our customers, workers, facilities and our relationship with the environment.

1. COMMITMENT TO SERVICE

We manufacture quality fabrics to protect people.

1.1
Customer satisfaction

1.2
Constant monitoring and control

1.3
To be an engine of change and a benchmark in the sector

2. COMMITMENT TO RESPONSIBLE MANAGEMENT

We are committed to sustainable, efficient and responsible management.

2.1
Ensuring compliance with QMS

2.2
Integral Continuous Improvement

3. SOCIAL COMMITMENT

We promote the personal and professional development and well-being of our team.

3.1
Reliance on suppliers and customers

3.2
Environment safe for workers

3.3
Continuous training

4. ENVIRONMENTAL COMMITMENT

We develop our business with minimal negative impact on the environment.

4.1
Minimize the negative impact on the environment

4.2
Maximize the positive impact on the environment

1.3 
BE MOTOR OF CHANGE AND BENCHMARKS IN THE SECTOR

1.3

BE MOTOR OF CHANGE AND BENCHMARKS IN THE SECTOR

At Sauleda we want to be a driving force for change in our sector, to make it grow and gain weight in society. That is why Sauleda is a member of AESO (Spanish Association of Dynamic Shading) **with the following objectives:**

Training professionals in the sector.

Minimise energy use for indoor climate control.

Raise public awareness of the importance of sun protection.

New houses built with solar protections.

Solar shading should improve the energy rating of buildings.

Sauleda
